Beach Doubles Rules: Setting the serve is not allowed – you must bump the serve. – No open hand tips. Hand sets must be CLEAN (minimal spin). Any hand-sets over must be in line with your shoulders (forward or backward) A block DOES count as a touch. Hard driven ball rule: Only hard driven balls are allowed to be played using an overhead setting motion or “beach dig”. A “hard-driven ball” is a high-velocity ball hit by an opponent (jumping or standing) with a full arm swing. Anything else is NOT a hard-driven ball. (e.g. a serve or a deflection off a block is NOT a hard-driven ball; a roll shot by an opponent is NOT a hard-driven ball.)
